Date: 14.01.22

To,

The Director
International Centre for Automotive Technologies
Plot No.26, Sector -3, HSIDC, IMT
Manesar, Gurgaon
Haryana

Sub: Type Approval to M/s E O Energy (P) Ltd for its RECD equipments.
Ref: M/s EO Energy (P) Ltd application received on 03.12.21.

Sir,

M/s EO Energy (P) Ltd having registered office at Plot No 26, Kanwar Industrial Area, Vil-Kanwar, Faridabad, Haryana- 121001 has submitted the notarized affidavit as per Appendix-1, Part-A and Profile and details of the assembly location located at Plot No 26, Kanwar Industrial Area, Vil-Kanwar, Faridabad, Haryana- 121001 along with all enclosures as per Appendix-1, Part-B of the "System & Procedure for testing emission Compliance of Retrofit Emission Control devices (RECD) of DG Set engines upto gross Mechanical Power 800kW"

Copies of aforesaid Annexures are enclosed.

In this context, it is recommended that ARAI may proceed with the tests for Type Approval to M/s EO Energy (P) Ltd only at the above mentioned address as per the procedure after ascertaining adequacy of the documents & the plant. This consent is issued for models a) EO-ECS90, b) EO-EEC90, c) EO-ECD90 mentioned in Appendix-1, Part-B specific plant location of the manufacturer and not for contract manufacturing of any type.

Yours faithfully

[N. K. Gupta]
Divisional Head UPC-I
